Dear Sirs,

We would like to order one issue of your new publication "Bibliography on street children", compiled by Joel Mermet.

We received a mail from CRIN announcing it and asking us to order it directly from you, but it does not say anything about its price.

We are a NGO -PIDEE CEDIAL- that has a Documentation Centre on Infancy in Latin America, but we receive no economic support from international organizations, that is why we would be very grateful if you send "Bibliography on street children" with no cost for us. We can send you as exchange our publication "Infancia Chile y América Latina. Noticias" that is a bimonthly publication.

If that is impossible, please tell us what is its cost in US dollars and we will try to send it to you.

With our best regards,
