Dear María,

Please find enclosed the second issue of CRIN's newsletter which I hope you find interesting and informative. Thank you for preparing PIDEE's profile and I hope that this inspires CRIN members to contact you and exchange information and experiences.

Finally, the newsletter is being translated into French and Spanish, please let me know if you want copies for distribution within your networks and contacts.

Kind regards and once again thank you for your contribution to issue no 2.

Becky Purbrick  
CRIN Coordinator
