Dear madam, sir,

At the end of July one of our foundations (the Pharos Foundation for Refugee Health Care, department of Mental health) psychotherapists mrs. Ildis Santini, will visit your country.

We kindly request you if a visit to your center would be possible during this period in order to exchange thoughts about your and our work and to talk about refugees who face problems when they decide to return to their country of origin.

Mrs. Santini will telephone your center herself, to make an appointment, assoon as she arrives in Chile.

Sincerely yours,

Ch. Soebarta
secretary
