Dear *Marta*,

Please find enclosed several copies of CRIN's newsletter in Spanish. I would be very grateful if you could disseminate this newsletter to your partners and contacts. I would also be grateful if you could encourage organisations to complete CRIN's organisations questionnaire and CRIN's membership form. Please also remember to complete these forms for yourself!!

I would welcome any feedback and comments on the newsletter. Finally, please note that I do not have the capacity to correspond in Spanish, if possible could you write to me in English. I hope that in the future we will be able to operate in English, French and Spanish but at the moment our commitment is limited to the translation of key documents.

Kind regards

Becky Purbrick
