Dear Maria Eugenia Rojas

Thank you for responding to my fax regarding your commitments to the network. I think this is an exciting process of finding out how we can practically share our information, knowledge and experience.

Please find enclosed a diskette of the CRIN Mailing List and some simple instructions on how to perform mail merges and searching. I hope that you find this useful when you communicate with other network participants. If you need to make any changes to the mailing list, please let me know so I can up-date centrally.

If you have any problems using this mailing list, please contact me.

Kind regards

Becky Purbrick
Coordinator of the Child Rights Information Network
