Dear CRIN Member,

In March of this year I sent you a letter detailing the progress and achievements of CRIN since the beginning of the year. In that letter I identified certain feedback I needed from you. I would like to stress that your input is very important and so please could you send me your responses. I am particular anxious to received your completed membership forms and your completed questionnaire for CRIN's organisations database. I would also like to take this opportunity to thank those of you who have already responded.

I am writing to you today on a specific matter of the second issue of CRIN's newsletter which I will produce in June. The quality and usefulness of the newsletter depends on your input and contributions. This issue will include the following articles and items:

Editorial and feedback on first issue
News from the Facilitating Group
Update on the projects
Southern participation in projects particularly Butterflies,

IIN, Arab
Resource Collective and ANPPCAN.
Profiles of members including Salvati Copiii, Save the Children,
the
Canadian Information Network on Children and Youth Rights and
one more (any
offers)
Update on the Children's House
Article on Childnet International
New internet sites and databases
New publications
Newsletter Reviews
Forthcoming events

This is not necessarily an exhaustive list and I would
appreciate your
ideas. However, I would also like your contributions and input
in the
following:

1. News and information about new internet sites and databases
that you
find particularly useful
2. Information about new publications and information resources
which you
have produced or come across in your work
3. News about meetings, conferences, workshops you are
organising or
attending up to December of this year
4. Articles on issues around children's rights and information
handling and
sharing.

Finally, I would like to thank you for your input and support to
CRIN.

Kind regards

Becky Purbrick
CRIN Coordinator
