Subject: Second issue of CRIN's newsletter

Dear CRIN Member,

In March of this year I sent you a letter detailing the progress and achievements of CRIN since the beginning of the year. In that letter I identified certain feedback I needed from you. I would like to stress that your input is very important and so please could you send me your responses. I am particularly anxious to receive your completed membership forms and your completed questionnaire for CRIN's organisations database. I would also like to take this opportunity to thank those of you who have already responded.

I am writing to you today on a specific matter of the second issue of CRIN's newsletter which I will produce in June. The quality and usefulness of the newsletter depends on your input and contributions. This issue will include the following articles and items:

Editorial and feedback on first issue  
News from the Facilitating Group  
Update on the projects  
Southern participation in projects particularly

Butterflies,

IIN, Arab Resource  
Collective and ANPPCAN.  
Profiles of members including Salvati Copiii, Save the

Children, the Canadian  
Information Network on Children and Youth Rights and one

more (any offers)  
Update on the Children's House  
Article on Childnet International  
New internet sites and databases  
New publications  
Newsletter Reviews  
Forthcoming events

This is not necessarily an exhaustive list and I would appreciate your ideas. However, I would also like your contributions and input in the following:

1. News and information about new Internet sites and databases that you find particularly useful
2. Information about new publications and information resources which you have produced or come across in your work
3. News about meetings, conferences, workshops you are organising or attending up to December of this year
4. Articles on issues around children's rights and information handling and sharing.

Finally, I would like to thank you for your input and support to CRIN.

Kind regards

Becky Purbrick  
CRIN Coordinator
