Dear reader of the Human Rights Monitor!

The International Service for Human Rights (ISHR) is launching a survey on one of its key publications, the Human Rights Monitor.

We are reaching out to you as a reader of the Human Rights Monitor and we would like to have your opinion regarding the usefulness of our publication. ISHR is committed to analysing and communicating information on United Nations human rights procedures, in particular to those who do not have direct access to these. It is a constant challenge for us to provide our users with timely and useful information.

We would warmly appreciate it if you could fill out the attached questionnaire and send it back to us as soon as possible. In the questionnaire, you will find some questions regarding our web page. We are currently reconstructing our web page and we would like to take this opportunity to flag that more of our services will be available at www.ishr.ch <<http://www.ishr.ch>> from this summer and onwards. We expect our new web page to be up and running in July 2002.

Thank you for your time and your contribution.

With my very best regards,

Marianne Berndtsson
