Dear Sir,

We are very pleased with your letter of 5 July, 2000 and the three numbers of your publication "City Initiative" that you send us.

We are going to add your name to our mailing list to send you 4 times a year our publication "Infancia: Chile y América Latina - Noticias". As the cost of mailing is very high for us, we are not going to send you the print version; we will send it as an attached file to your e-mail.

Please visit our web page <<http://www.pidee.web.cl>>. there, under the title "Presentación" you will find out who we are and what we do. Under the title "Publicaciones" you will find the list of our publications. If you are interested in receiving one or more of them, please let us know. The publications are free of cost, we charge only the mailing cost. Under "Videos" you will find the list of videos that we have. If you want to receive one or more of them, we have to charge the mailing cost plus the reproduction of the video. We also need to know what system you use in your country. Under "Noticias" you will find, each month, a summary of the principal news about children published in news papers of Chile and other countries of Latin America. Under "Temas" you will find four topics: "Working Children", "Maltreatment and Sexual Abuse of Children", "Street Children" and "Children and Wars". All this information is in Spanish.

Hoping that this may be useful for PDCR, we remain sincerely yours
