Dear CRIN members

We are currently compiling Issue No 9 of CRIN's newsletter. I would be grateful if you could send me information on the following:

- a new publication you have produced and would like to be included in the publications listing
- an event or conference you are organising or attending which you would like to be included in the forthcoming conferences listing
- any initiative regarding children's rights and health issues which you would like to be featured.

Please send this information to the coordinating unit's email address crin@pro-net.co.uk NOT the CRINMAIL address!!!
