Dear Maria,

Thank you for your interest and proposal to become involved in  
CRIN's regional programme. We are very glad it has stimulated interest.

All the regional programme proposals will be considered and  
discussed by CRIN's management team on 29/30th October.

We will communicate the outcome of those discussions by the end  
of November. Thank you for your patience in the meantime.

Regards

Chris Stenson

Dear Becky:

We are concerned because we already have the air ticket in our hands but we must pay for it. We need to know if the transfer is already done, because our bank has not received it.  
Thanks and kind regards.
