Dear Becky,

If we were to partner CRIN in the development of a regional website, we expect a staff cost of half-time, that in money would be US\$ 240.- (two hundred and forty dollars) per month.

Our key regional contacts are with regional and national NGOs, Universities and people interested in the theme of children.

In Chile we have 53 key contacts

In the region our key contacts are with 52 organizations in 18 countries.

We believe that the role that Casa Alianza is playing with its electronic mailing list, in denouncing violations of children's rights in Central America and Mexico, is very important for all of us who work with/for children, not only because they ask us to support what they are reporting, writing to those governments and media, but also because we feel that we are participating of the information, and at the same time we are able to disseminate it in CEDIAL's "Boletin de Noticias". The tool of "information" not only is to know, also is to act. To open the minds to reality induces to work and to pledge oneself.

Best regards,

Maria Eugenia Rojas

Programa Regional de CRIN - se requiere más información

Querida Maria,

Discutiremos todas las propuestas de programas regionales en la reunión de CRIN del 29 de Octubre. Quisiera que esta reunión fuera lo más informada posible, por lo que necesito mayor información.

Sería de gran utilidad si usted pudiera indicarme los costos de personal si es que PIDEE fuera socio de CRIN en el desarrollo de un web regional para América Latina. No creo que éste sea un trabajo de tiempo completo. Les he pedido a todos los miembros que han respondido a la propuesta, que entreguen una lista de sus contactos regionales claves para tener una idea más clara de sus capacidades de trabajar regionalmente. Por favor, ¿podría enviarme una lista de sus contactos claves?

Usted mencionó el trabajo de Casa Alianza. ¿Cuáles son sus ideas en términos de replicar ese trabajo en otros países? ¿Que cree usted que involucraría?

Cariñosos saludos,

Becky Purbrick

Subject: CRIN's regional programme - more info required

Dear Maria,

We will be discussing all the regional programme proposals at the CRIN management meeting on 29th October. I want this discussion to be as informed as possible and so I would like some further information.

It would be helpful if you could give me an indication of your expected staff costs if PIDEE was to partner CRIN in the development of a regional website for Latin America. I would not envisage this as a full time post. I have asked all members who have responded to the proposal to provide a list of their key regional contacts to give us a better idea of their capacities to work regionally. Please could you send me a list of your key contacts.

You mentioned the work of Casa Alianza. What are your ideas in terms of replicating this work in other countries? What do you think it would involve?

Kind regards

Becky Purbrick
